A child is shown floating in the air, held up by four large, dark, textured balloons. The background is a dark, starry night sky with a soft, glowing light source on the right side, creating a gradient from dark blue to a warm, golden glow. The child is positioned on the left side of the frame, looking towards the right.

Algumas noites,

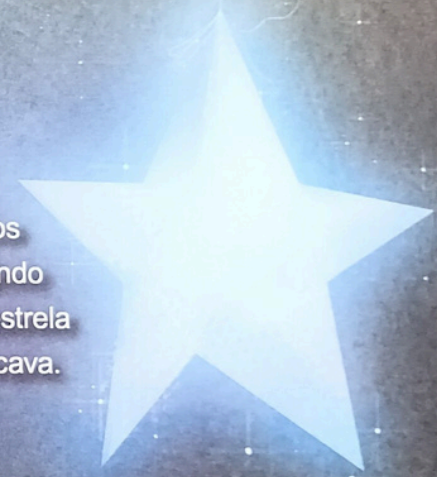

Quando o sono não chegava,

Ele abria a janela, silenciosamente.

Ali,

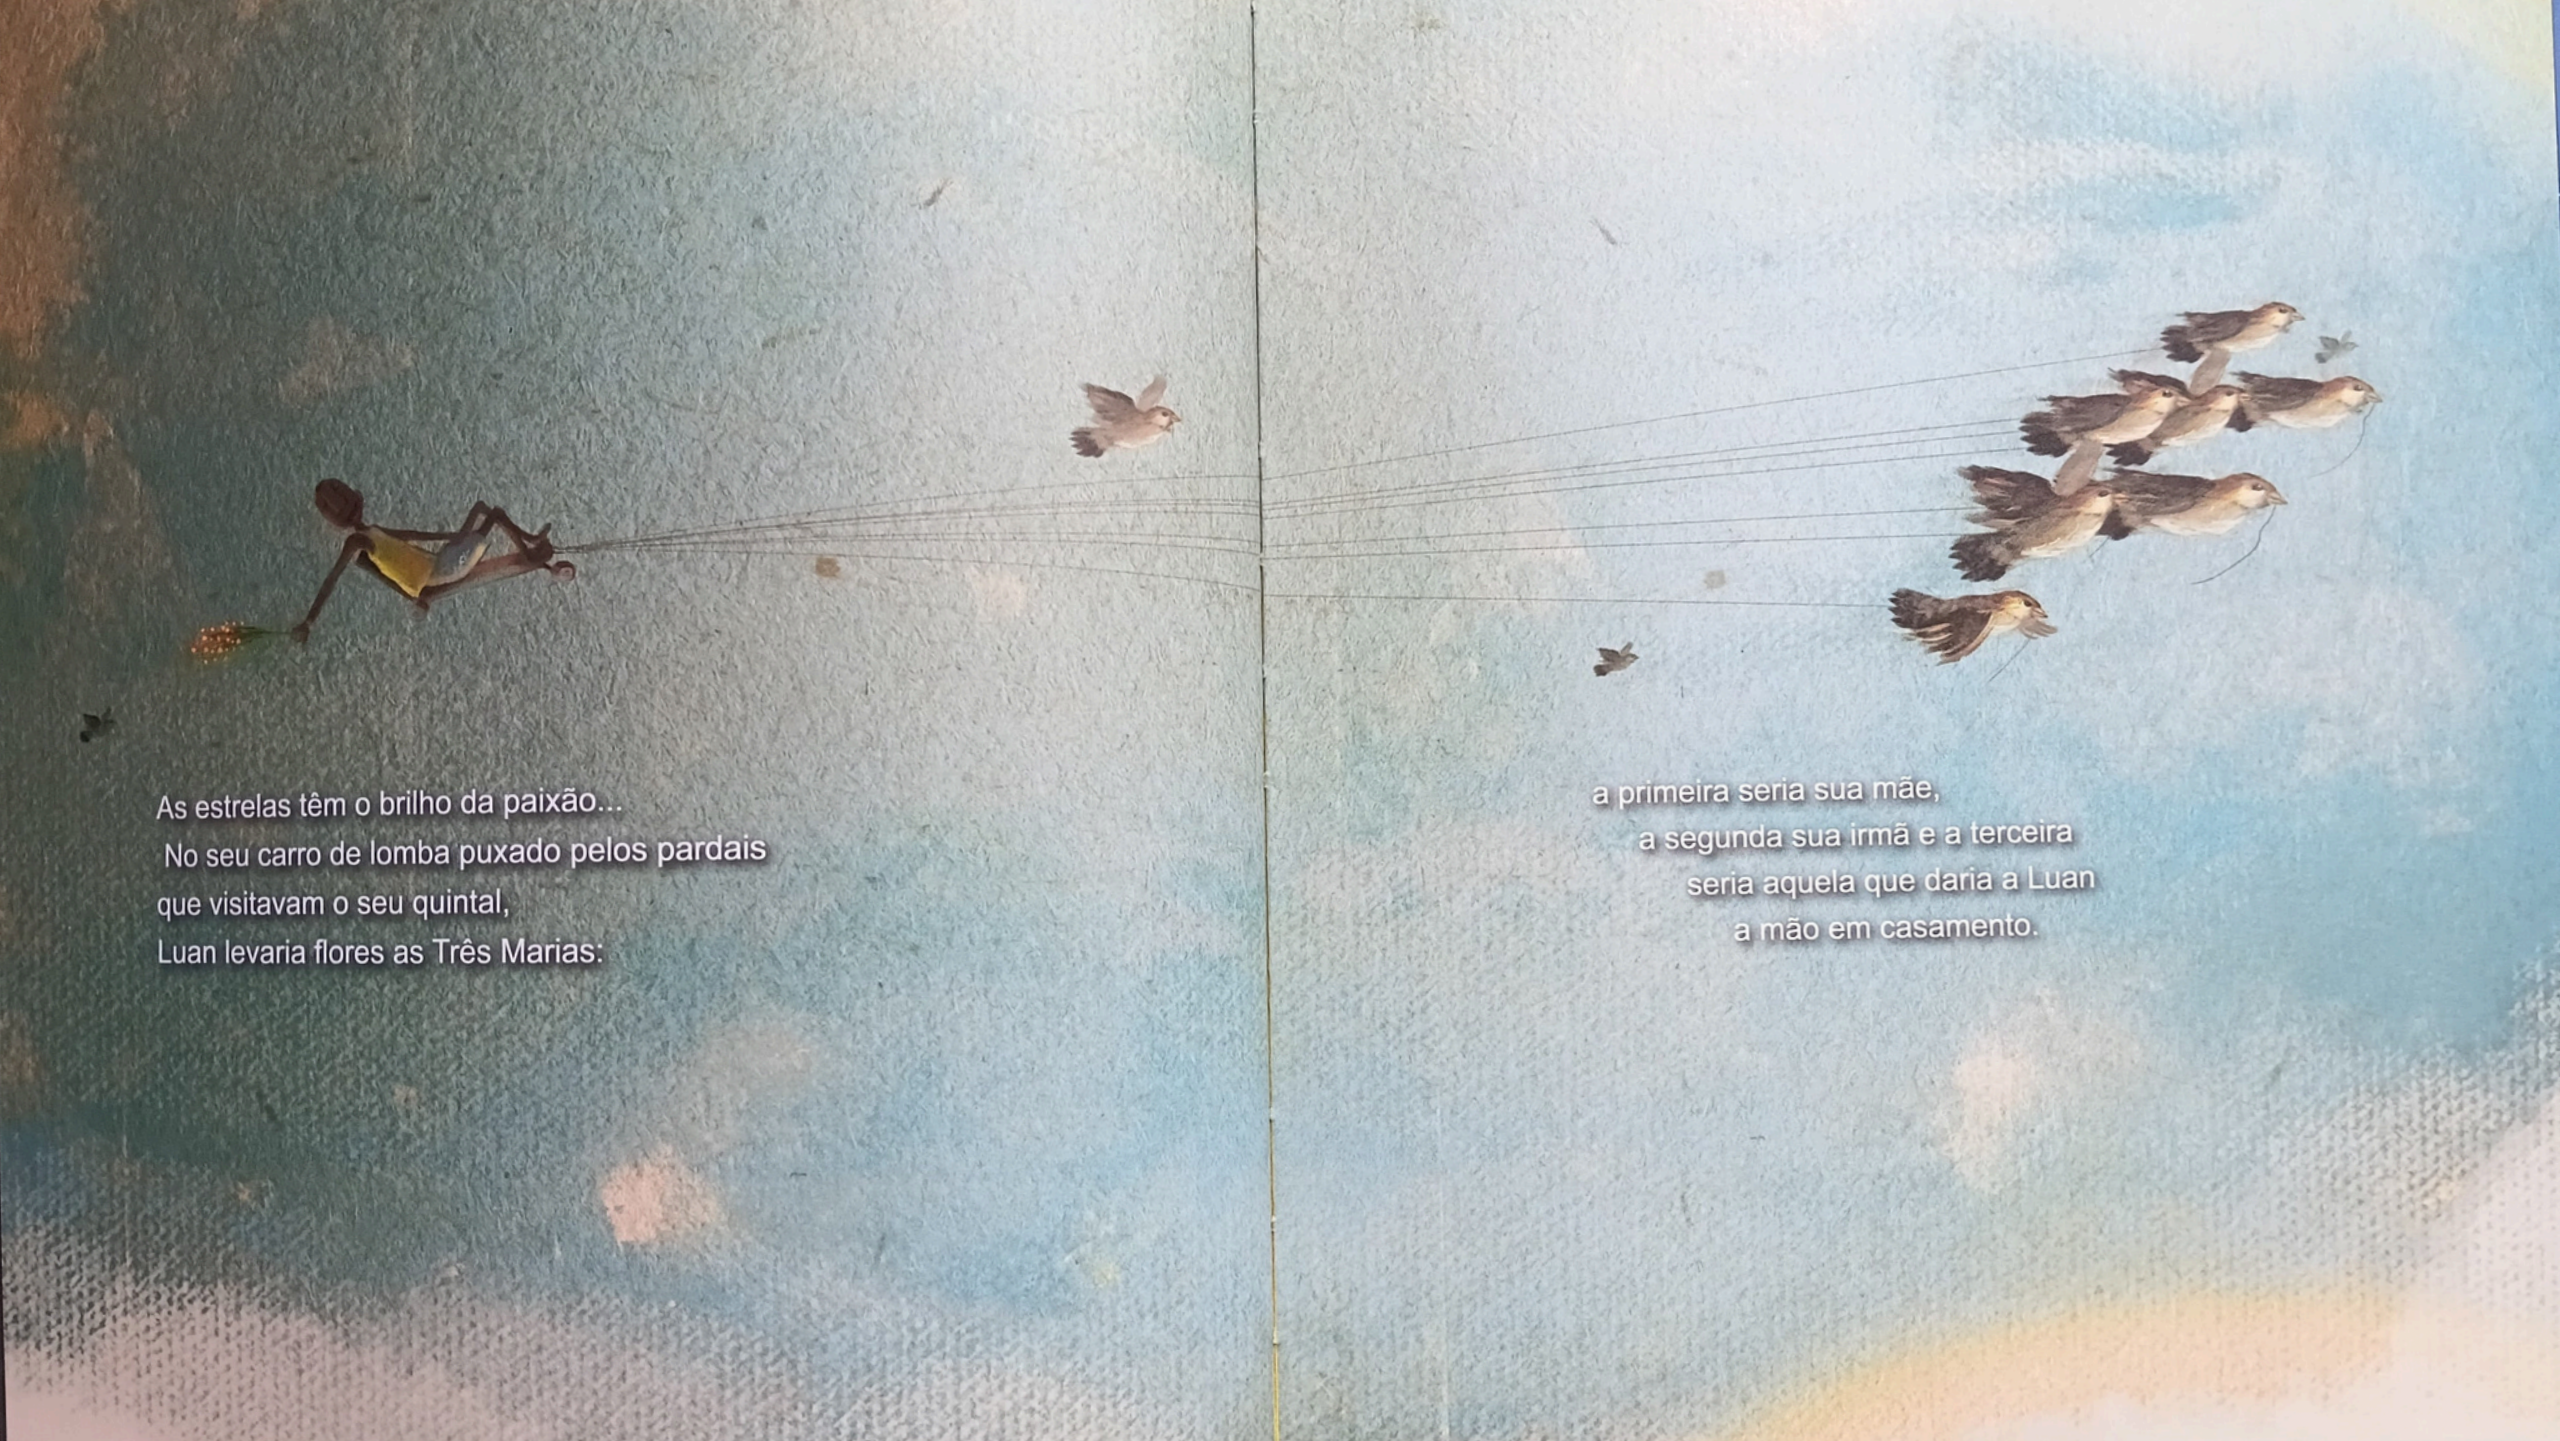

com jeito de quem viajava,

Erguia as mãos  
fingindo  
que uma estrela  
tocava.

A large, five-pointed star is depicted in a vibrant blue color, glowing with a soft, ethereal light. It is positioned on the right side of the image, set against the starry night sky background. The star's glow creates a subtle halo effect around it.

Ficava imaginando e acreditava que o universo poderia ser alcançado.

A child in a yellow swimsuit is shown from behind, pulling a string of birds across a blue sky. The child is holding a string of small, glowing flowers. The birds are arranged in a line, with some flying ahead and others trailing behind. The sky is a mix of light blue and white, with some darker blue patches. The child is on the left side of the page, and the birds are on the right side. The text is on the left side of the page, and the text on the right side is on the right side of the page.

As estrelas têm o brilho da paixão...  
No seu carro de lombo puxado pelos pardais  
que visitavam o seu quintal,  
Luan levaria flores as Três Marias:

a primeira seria sua mãe,  
a segunda sua irmã e a terceira  
seria aquela que daria a Luan  
a mão em casamento.

E chegar até elas?

De que jeito seria?

Sobre uma folha que o vento levaria?

Ou nas asas de uma borboleta?
